PARENTAL PERMISSION
ADMINISTRATION OF MEDICATION BY SCHOOL PERSONNEL
2014-2015

We encourage parents to work with their doctor to use medication that does not have to be administered at school. If a student must bring medication to school, the medication must be in its original container along with doctor's instructions on distribution to the child. The student may not have any medication, prescription or otherwise, cough drops or aspirin on his/her person. All medication will be properly stored in the office/clinic under lock and key and must be distributed from the office/clinic. Over the counter medication must also be in its original container and a parental authorization letter must be on file in the office/clinic.

There shall be no liability for civil damages as a result of the administration of such medication when the person administering such medication acts as an ordinarily reasonably prudent person would have acted under the same or similar circumstances.

I HEREBY GRANT PERMISSION TO THE PRINCIPAL OR THEIR DESIGNEE TO ASSIST IN ADMINISTERING THE FOLLOWING MEDICATION TO MY CHILD.

CHILD'S NAME _____

NAME OF MEDICATION/DRUG _____

DOSAGE _____

AT THE FOLLOWING TIMES _____

EXPLANATION – WHY MEDICATION IS NECESSARY DURING SCHOOL DAY _____
