3rd Grade Summer Reading Project “Story Quilt”

Materials:

Pencils/markers
Glue
Construction paper
Scissors

Goal:

To share a book through a drawn quilt made up of scenes from a favorite story.

Steps to Complete Project:

1. Read the book.
2. Reread your favorite scenes.
3. Decide on how many squares to have in your story quilt.
4. List the scenes in order that you want to include.
5. Draw each scene onto the same size paper and include 1-3 sentences describing each event included in the quilt.
6. Be sure that you can retell the story so that it makes sense using your story quilt.
7. Use a construction paper border around the outside of the story quilt and between the quilt spaces.
8. Include the title, author and illustrator of the book on the story quilt.
9. Include your name on the back of the story quilt.

You will be graded on:

- How well the instructions of the project were followed.
- The neatness and creativity of the project.
- The retelling of the story during the presentation of the story quilt to the class.
