

LOVE

LOVE is the free self-giving of the heart to God and neighbor. It is the greatest virtue.

Scripture

"You shall love the Lord, your God, with all your heart, with all your being, with all your strength, and with all your mind, and your neighbor as yourself."

Luke 10:27

PRAYER

Lord Jesus, fill me with love that flows from your heart. Make me a gentle and affectionate presence in the lives of my human family. Amen.
