

Introducing

We're excited to announce our new school management system – **RenWeb School Management Software**. We're in the process of setting up RenWeb's **ParentsWeb** – a private and secure parents' portal that will allow parents to see academic information specific to their children, while protecting their children's information from others.

All you need is an Internet-capable computer to view information such as:

- Attendance
- Daily Grades
- Progress Reports
- Report Cards
- Discipline
- Homework
- Missing Assignments
- School Calendar
- School Announcements
- Family Account Balances with Online Payment
- Teacher Email Addresses
- Teacher Websites
- Customized Web Surveys and Tests
- Other Useful School Information

RenWeb has created a 5 minute [ParentsWeb Overview video](https://vimeo.com/126932181), which will give you an introduction to the system. Please watch it at your convenience by accessing this URL: <https://vimeo.com/126932181>. The password to access the video is **ParentsWeb**.

Read the accompanying sheets to learn how to create a ParentsWeb account.
