2023 - 2024 School Supply List

Dear Parents,

Below you will see the list of items for the 2023-2024 school year. We will be using a new organization system this year called the SOAR Binder.

SOAR Binder Materials

- one 1.5 inch or 2 inch binder with pockets on the inside front and back covers. I recommend the 'view-binders' so students can personalize their binder, as well as store their schedule in an easy to see location.
- one package of plastic (poly) folders that fit in a 3-ring binder. They should have 1 or 2 pockets to store papers. Tabs are helpful but not necessary. Students will need 1 folder per class (so 6-8 folders)
- File folder labels (example: small address sticky labels) to label folders and "At-Home Paper Station". You will need 12-16 labels.
- 3 packs of loose-leaf notebook paper
- Binder clip (for planner)
- Mechanical pencil (for planner)

At-Home Paper Station (optional)

- Mobile Hanging File - A designated place to file and store extra papers that is easily accessible. Another option is file folders and an empty shoe box. You will need one file folder per class.
